

Gina Trombley

Executive Vice President of Sales and Marketing
and Chief Commercial Officer – Americas

Gina Trombley is Executive Vice President of Sales and Marketing and Chief Commercial Officer – Americas for Wabtec. A seasoned executive with more than 30 years' experience in the fields of transportation, infrastructure, strategy, and business development, Trombley oversees commercial sales, marketing, and all corporate strategy functions for the U.S., Canada, Mexico, and Latin America. Her team aligns innovative technology and commercial focus that helps customers meet their needs.

Prior to Wabtec, Trombley was Vice President of Services for Bombardier Transport – Americas, where she led service operations and the creation of innovative technologies and business models to maximize asset usage. Prior to that, Trombley held several roles at Parsons, including Group Executive Vice President, Federal where she helped provide services and integrated solutions for U.S. federal contractors, as well as served as Senior Vice President and Division Manager, Aviation and Senior Vice President, Mining and Infrastructure. Trombley began her career in transportation at GE Transportation in various leadership roles, including Global Services Commercial Leader.

Trombley holds a bachelor's degree in environmental studies from the United States Military Academy at West Point, and she served for six years in the U.S. Army as an intelligence officer.
